for global employees
on the move

PRODUCT FEATURES

- Benefit from pre-negotiated group life rates.
- Flexible benefit structures to suit different regions and employment gradings.
- Employees enjoy full cover regardless of their location.
- Premiums can be paid in USD, EUR, and GBP.
- Premiums covering employees in multiple countries can be paid from your head office or a single entity.
- Disability, critical illness, and savings benefits can be added to the selected life cover.
- Death benefits can be paid in any currency to beneficiaries in any country.
- Benefits are not taxed in Mauritius.
- The pension and savings option offers an array of investments including mutual funds, shares, structured notes, and ETF's.
- International Assurance has appointed independent qualified trustees to oversee the legislative and regulatory aspects of the International Life Benefit Plan trust.
- Should an employee change employment or move residence, they have the option to continue their life cover and/or investments in their individual capacity or via their new employer.
- All insurance policies issued by International Assurance are 100% underwritten by one of the world's leading reinsurance houses.
